

Get your Efficient Solutions Label now!

9th of June 10.00–11.30 // Online Zoom

From Eligibility and Evaluation criteria, to Concrete benefits for cleantech innovators, join Sustainable Business Hub, CLEAN and the Solar Impulse Foundation in this webinar to get all the info you need before starting your application to the Efficient Solutions Label.

With the Efficient Solutions Label, cleantech inventors will gain access to the Solar Impulse Foundation's network of 70+ investors and corporates.

Sustainable Business Hub and CLEAN, as proud partners of the Solar Impulse Foundation are happy to share this opportunity for your cleantech innovation to be recognized as an "Efficient Solution" which protects the environment. The seminar is a part of the Cleantech Impact Accelerator project – shortening the journey to market for cleantech companies in the Greater Copenhagen region.

GAIN ACCESS TO

- Advantages of the Efficient Solutions Label
